

### What is Ring'n'Ride?

- Ring'n'Ride is an innovative on-demand bus service that picks you up from as near to your door as possible and takes you where you want to go, when you want to go.
- **It does not make trips where there are alternative public transport services unless you qualify for Dial-a-Bus. For more information on Dial-a-Bus call 0845 128 4025.**
- It is designed to serve people and communities in East Dunbartonshire who do not currently have a local bus service or have poor public transport links to amenities.
- The service provides links between any points in the area shown on the map overleaf, and also from this area to the highlighted town centres and train stations.
- The bus operates Mondays to Saturdays between the hours of 0700 and 1800 hours.

### Who can use it?

- Ring'n'Ride is available to everyone who wants to travel within the marked area on the map. Since the service is operated using a Low Floor, wheelchair accessible bus, it is suitable for all members of the community including people registered for use of the Dial-a-Bus Service or those with mobility difficulties.
- Like conventional bus services, Ring'n'Ride is for individual passengers, but group bookings are also welcome.

### Fares

- Normal bus service fares apply. Please check your fare at time of booking.

### Journey Times

- Every effort will be made to offer you your requested times.
- Often however, if a number of passengers are going to the same destination we will offer you these times.
- We may require to change your booking times but will advise you if these changes exceed 10 minutes.
- Other passengers are often picked up en route to your destination. Please allow time for this when booking your journey.
- Please try to be flexible with your journey times.

### How do I use it?

- Booking is easy. All it takes is a simple call to the booking line on **0845 128 4037** to register for the service. Journeys can even be booked by text message!
- Bookings can be made up to 2 hours before travelling, but we recommend you book the day before.
- The booking line is open Monday to Friday, 0900 - 1600 so Saturday and Monday journeys should be booked on Fridays.
- Scottish Citizens National Entitlement Cards, ZoneCards and Daytripper tickets are valid on the service.
