What is Ring'n'Ride?

- Ring'n'Ride is an innovative on-demand bus service that picks you up from as near to your door as possible and takes you where you want to go, when you want to go.
- It is designed to serve people and communities in the Gryffe Valley area who do not currently have a local bus service or have poor public transport links to amenities.
- The service provides new direct links between any points in the rural area shown on the map overleaf, and also from this rural area to the highlighted area, and vice versa.
- **It does not make trips where there are alternative direct public transport services.**
- The bus operates Monday to Saturday between the hours of 0700 - 1800 and Sundays 0900 - 1800.

Who can use it?

- Ring'n'Ride is for everyone who wants to travel within the marked area on the map.
- Passengers who are registered Dial-a-Bus users can also use the Ring'n'Ride Service.
- Like conventional bus services, Ring'n'Ride is for individual passengers, but group bookings are also warmly welcomed.
- All members of the community are able to use the service, as it is operated using a low floor, wheelchair accessible bus.
