

University of Abertay Staff Travel Survey

At the University of Abertay we are working to improve the environment and facilities for staff and students on the Campus. As part of our commitment the following survey has been compiled to assist in assessing the needs and requirements of staff and students for their journeys both to and from the University and for staff, journeys undertaken for business purposes.

This questionnaire has been designed to inform a number of issues. These include;:

- Creation of a University of Abertay travel plan
- Accessibility
- Campus facilities
- Sustainability
- Improved working practices
- Staff/student needs and desires

It is important that you take time to complete the survey so that we are well informed to judge any improvements that can be made to raise the standards. In addition, data collected will inform further discussions with staff/student representatives regarding specific issues.

The survey should take no longer than 10 minutes to complete. The results of the survey will be published in anonymous reports and will be made available on the University website.

The deadline for participation is **22nd November 2009**.

Your participation is greatly appreciated.

Thank You

Ian Simpson, Head Of Estates And Campus Services
