

### What is Ring'n'Ride?

- Ring'n'Ride is an innovative on-demand bus service that picks you up from as near to your door as possible and takes you where you want to go, when you want to go.
- **It does not make trips where there are alternative direct public transport services unless you qualify for Dial-a-Bus. For more information on Dial-a-Bus call 0845 128 4025.**
- It is designed to serve people and communities in the Three Valleys area who do not currently have a local bus service or have poor public transport links to amenities.
- The service provides direct links between any points in the rural area shown on the map overleaf, and also from this rural area to the highlighted area, and vice versa.
- The bus operates Monday to Saturday between the hours of 0700 - 2330 and Sundays 0900 - 2330.

### Who can use it?

- Ring'n'Ride is available to everyone who wants to travel within the marked area on the map. Since the service is operated using a Low Floor, wheelchair accessible bus, it is suitable for all members of the community including people registered for use of the Dial-a-Bus Service or those with mobility difficulties.
- Like conventional bus services, Ring'n'Ride is for individual passengers, but group bookings are also welcome.

### Fares

- Normal bus service fares apply. Please check your fare at time of booking.
