Note: Operators are reminded that optional tender bids are considered for the delivery of SPT services

Therefore, in addition to a tender for the above timetable and route, operators may submit bids for optional timetables and routes for this service

Minibus vehicle is suggested due to route. Does not require low floor vehicle

Please note operators are advised to:

Stop to set down and uplift passengers only at locations recognised and designated as bus stops by the relevant authority

Stop at bus stops only for the minimum period necessary for the safe setting down and uplifting of passengers

Stop only at bus stops allocated to that particular service
