What is MyBus?

MyBus is a bookable bus service offering door-to-door transport, where possible, in your area.

MyBus can be used for:

- Shopping
- GP appointments
- Visiting friends
- Attending local clubs.

MyBus will pick you up and drop you off as close as possible to your destination. All vehicles are low-floor and wheelchair friendly. The driver will give assistance to board the bus from the pavement. However the driver is unable to provide assistance from your home to the bus.

Who qualifies?

- Anyone over the age of 80
- If you are registered with a severe sight impairment (blind)
- In receipt of Attendance Allowance or Pension Age Disability
- If you receive standard or high rate of the daily living/care or mobility component for Personal Independence (PIP), Disability Living Allowance (DLA), Adult Disability Payment (ADP) or War Pensions Supplement.

Proof of your valid National Entitlement Card (NEC) can be accepted as proof of eligibility. Alternatively, a copy of your benefit award letters can be provided and must have been issued within the past 12 months.

If you do not meet the qualifying criteria, you may provide a letter of support from your GP which states your medical conditions and how these prevent or gives great difficulty in using mainstream bus services.

How do I book MyBus?

You can book a MyBus either via our website or by phone. Booking online gives you the freedom to book at any time and gives you the flexibility to request bookings up to 28 days in advance. Alternatively journey requests can be made by calling the MyBus team.
