What is MyBus Rural?

MyBus Rural is a bookable bus service offering door-to-door transport, where possible, in your area.

It's designed to serve people and communities who do not have a local bus service or who have poor public transport links.

MyBus Rural can be used for:

- Shopping
- Visiting friends
- Attending local clubs

The service is available to anyone wishing to travel in the marked area of the map overleaf and is operated with a low floor, wheelchair friendly bus making it suitable for all members of the community.

Please note that we cannot offer journeys where there are alternative public transport services already available.

How do I book?

We recommend that you register your details prior to booking by phoning the MyBus Rural team on **0345 128 4024**. This will speed up the booking process and enable you to let us know about any special requirements you may have.

You can book MyBus Rural either via our website or by phoning **0345 123 5656**. Please note that bookings should be made the day before you intend to travel. For travel on Monday, please call on the Friday before.

Please have your preferred travel date, time and destination to hand when making a booking. If you are planning a journey more than a day in advance, please call the booking line after 2pm. Booking lines are closed Saturday and Sunday.

Making your journey

We aim to collect passengers by the requested journey time. However, to accommodate as many customers as possible, we may alter the pick up time by up to 10 minutes (earlier or later).
