

SPT Annual Report 2022/2023

Date of meeting 23 June 2023

Date of report 7 June 2023

Report by Chief Executive

1. Object of report

To recommend the Partnership consider and approve the final draft of the SPT 2022/2023 Annual Report, subject to any final comments from members prior to the report being published.

2. Background to report

SPT is required to prepare an Annual Report on a yearly basis, providing an overview of the key activities and outcomes delivered in the preceding financial year.

Once approved, the Annual Report is submitted to the Cabinet Secretary for Net Zero and Just Transition and the Transport Minister for information, as well as to other key stakeholders.

The purpose of the Annual Report is to:

- (i) highlight the achievements of SPT during the year and the projects SPT has progressed and invested in across the region; and
- (ii) update on the work SPT has done at a national level, responding to numerous consultations as well as local transport priorities.

3. Outline of proposals

Attached at Appendix 1 is a proposed final draft of the SPT 2022/2023 Annual Report which members are asked to consider and approve.

While the report focuses on key events and deliverables throughout the year, highlighting both the geographic spread and value of SPT activities to all communities, it also highlights the ongoing challenges SPT continues to face.

4. Partnership action

The Partnership is recommended to consider and approve the proposed final draft SPT 2022/2023 Annual Report for publication.
