

Requests for subsidised local bus services

Committee Operations

Date of meeting 24 January 2020

Date of report 09 January 2020

Report by Assistant Chief Executive

1. Object of report

To recommend the Committee note the requests received for subsidised local bus services and actions.

2. Background

- (a) To extend the route of subsidised service 348 to operate via Westerwood and Dullatur to serve Croy Station. **Recommend:** No Action. Constraints imposed by the existing schedule would not allow the service to be altered without adversely affecting other sections of the route or significantly reduce the current frequency. Alternatively, the introduction of an additional vehicle with the costs that would entail would not be sustainable.
Council area: North Lanarkshire

3. Outline of proposals

The Committee is asked to agree the recommendations.
